Adding a subproduct lead by Angela that covers the water work sounds great.

This is interesting timing because Angela was just inquiring about getting a subproduct into the CSS STRAPs to cover the AltEn water work. I suggested maybe it would fit in as a subproduct in Amanda's product (product 1 in the document attached) and Angela agreed.

Hi Tony,

I'm submitting a proposal for StRAP 4 related to the AltEn ethanol plant into CSS.402.6 (Build confidence in the use of new approach methods for exposure assessment through applications)- Seth's Output.
